## Layout & Flow

- Are you happy with your layout?
- Does your kitchen feel hard to move around in?
- Would an island or more counter space make cooking easier?
- Is there a wall you'd love to remove or open up?

## Storage & Organization

- Do you need more storage space?
- Are your cabinets difficult to access or poorly organized?
- Would built-in organizers (pull-outs, trash drawers, spice racks) make life easier?
- Are you using overflow storage elsewhere in the house?

## Style & Finishes

- Does your kitchen feel outdated?
- Do you like your current cabinet color and style?
- Are your countertops worn, stained, or hard to maintain?
- Do you want to upgrade your light fixtures?

## Function & Appliances

- Do you want new appliances?
- Does your kitchen support how you cook and entertain?
- Would energy-efficient upgrades matter?
- Are you remodeling for resale or long-term living?
